# Personal Address, Phone, and other matters/Ex. 6

CC02EN-AR-Gold Point  
10 Mine adit at  
portal. This  
is the first  
adit  
downstream  
of the  
Mogul Mine  
that flows  
out of the  
ground up  
the hill on  
the right  
side of the  
road when  
heading  
upstream  
toward the  
Mogul.  
There is no  
mine tunnel  
here - water  
comes out  
of the  
ground  
through  
rocks
